1. General

Your Policy will participate in the profits of HDFC Standard Life Insurance Company Limited and, providing premiums continue to be paid, annual, reversionary and interim bonus will be added to your Policy.

Where applicable, a terminal bonus may also be added to your Policy.

2. Benefits

If you pay the premiums which are due, we will pay the benefits which are stated in your policy schedule to you or to any other person who is entitled to receive them.

Before we pay the basic benefit under your Policy we will require to be satisfied that:

either

- Your Policy has matured

or

- the person referred to as the Life Assured in the policy schedule, or if more than one Life Assured the first to die, has died

and (in respect of any benefit)

- the date(s) of birth of the Life Assured/Lives Assured given in the application is/are correct,
- the answers which were given in the application are correct,

- all policy provisions including any endorsement to your Policy have been met,
- the person to whom the benefits are to be paid is entitled to receive them,

and

- all relevant documents in support of your claim (which may include policy documents, birth certificate or such other documentation as we might reasonably require) have been provided.

3. Payment and cessation of premiums

- (i) The first premium must be paid along with the submission of your completed application. Subsequent premiums are due in full on the date(s) (called here the “Due Date(s)”) and at the frequency set out in your policy schedule. We will not accept part payment of the premium or payments in advance.
- (ii) If any premium remains unpaid 35 days after the Due Date, we may lapse your Policy with effect from the Due Date of the first unpaid premium.
- (iii) If premiums cease your Policy may acquire a surrender value, which value will be determined at our discretion.
- (iv) If you pay premiums for a continuous period of 3 years, your Policy will acquire a guaranteed surrender value, which value will be calculated in accordance with Provision 4 of your Policy.

4. Guaranteed surrender value

If you pay premiums for a continuous period of 3 years the guaranteed surrender value of your Policy, including the value of any attaching bonuses, will be:

- Zero in respect of premiums paid in the first year; and
- 50% of premiums paid subsequent to the first year in respect of the basic benefit, excluding all additional premiums.

5. Lapsed policies, Paid up policies and Reinstatement

(i) Lapsed and paid up policies

In the event that any premium remains unpaid 35 days after the Due Date and your Policy has either, at our discretion, acquired a surrender value, or has acquired a guaranteed surrender value, your Policy will be altered to a paid-up policy, subject to any terms and conditions which we may specify from time to time and any additional benefits will be cancelled. These terms will involve a reduction in benefits and you will be informed at the time of the level of benefits payable.

Once your Policy is made paid-up it will cease to participate in profits.

If, however, any premium remains unpaid 35 days after the Due Date and your Policy does not have a surrender value, the basic benefit will lapse and any additional benefit will be cancelled and no benefit will be payable to you.

(ii) Reinstatement of paid up policies

If your Policy has been paid-up, it may be reinstated, subject to our consent and to such terms and conditions as we may specify from time to time.

6. Loans

If your Policy has acquired a surrender value, you may apply for a loan from us using your Policy as security for the loan. The loan would be subject to such terms and conditions as we may specify from time to time.

7. Assignments and Nominations

Any notice of assignment or change in nomination must be notified in writing to us at our Issuing Office, which address is noted on your policy schedule.

8. Exclusions :

We shall not be liable to pay the benefit amount indicated in your policy schedule if the death of the Life Assured or the death of the first to die of the Lives Assured is caused directly or indirectly by suicide within one year of the Date of Commencement or the date of issue of the Policy, if later.

9. Incorrect information and non-disclosure

Your Policy is based on the application and declaration which you made to us, however, if any of the information which you provided is incorrect, we reserve the right to vary the benefits which may be payable and, further, if there has been non-disclosure of a material fact then we may treat your Policy as void.
