The proceeds from the 'Discontinued Policy Fund' for your Policy will be refunded only on the completion of the Lock-in Period.

If you do not exercise your option on or on the expiry of the 30 days notice period whichever is earlier, if the Policy is not revived, the treatment shall be as per the "Withdrawal" option stated above.

- (5) The treatment for Clause (4) above is specified below:
- If You choose to revive the Policy, the treatment for revival is as specified in Clause (2) for Revival. The Fund Value shall continue to remain in the 'Discontinued Policy Fund' until the Policy is revived or until the end of the Revival Period, whichever is earlier.  - The maximum amount of Partial Withdrawals that can be done throughout the Policy Term from the basic Fund Value is 300% of the Annualised Premium
- When we determine the eligibility of a Partial Withdrawal or determine the maximum Partial Withdrawal Amount, we will use the latest known Unit Price. As this price is not known at the time of the estimate of Partial Withdrawal eligibility or the Partial Withdrawal request, a small margin over and above the minimum Fund Value is kept to ensure that the Unit Fund Value requirement after the Partial Withdrawal is not violated. Currently this margin is 5% of your Fund Value on the date of the Partial Withdrawal request or calculation. We may change this margin at any time without prior notification or approval from you.
- Following a Partial Withdrawal, the Policy continues to be in-force and all benefits under Part C Clause 1 and conditions remain unaltered.
